## FORWARD

The **ITS Training Policy and Procedure Manual** provides the common policy framework for the training and qualification of Aviation Safety Inspectors, to enable them perform certification and surveillance related tasks independently. The Manual is in three volumes, presented as follows:

Volume I – ITS Training Policy and Procedure Manual - Program Guide

Volume II – ITS Training Policy and Procedure Manual - OJT Guide

Volume III – ITS Training Policy and Procedure Manual - Formal Course Standards

This third volume, ITS Training Policy and Procedure Manual - ITS Formal Course Standards, provides course descriptions and minimum requirements for each of the formal classroom style training courses given in the ITS Program Guide.
