

Instruction n° 00057 //CCAA/DG/DSA/SDNV/SPA of 27 JAN 2011

Setting out the terms for elaborating the annual schedule of aeronautical theoretical examinations

1. Preamble

1.1. The present instruction sets out the terms for the elaboration and publication of the annual schedule of aeronautical theoretical examinations organised by the Cameroon Civil Aviation Authority, later called "the schedule".

2. Schedule

2.1. Aeronautical theoretical examinations sessions shall be scheduled to hold at least three times a year, and at equal intervals.

2.2. Once elaborated, the schedule shall be approved and signed by the General Manager of the Cameroon Civil Aviation Authority (CCAA).

2.3. The approved schedule has value of an instruction of the General Manager of the CCAA.

2.4. The signed schedule shall be communicated to all approved training organisations and published at least 3 (three) months before the beginning of the first examination session of the considered year.

3. Registrations

3.1. Registrations for an examination session shall be closed latest 1 (one) month before the beginning of that session.
